

Blue Distinction® Total Care Helping you find the best care

Blue Distinction Total Care (BDTC) gives you and your family access to quality doctors that can help save you money.

With BDTC, you have access to primary care physicians (PCPs) recognized for providing quality, affordable care.

You may get more savings when you use the following BDTC PCPs:

- General practice physician
- Family practice physician
- Gynecologist
- Internal medicine physician
- Pediatrician
- Physician assistant
- Certified nurse specialist
- Certified nurse practitioner

These PCPs will work with you to help you make health care decisions.

Using a BDTC Provider

Depending on your plan, you may have lower out-of-pocket costs when you use a BDTC provider. Your PCP will work with you to provide guidance on important health care decisions, and they will play a key role in reaching your health goals, coordinating your care and managing your health conditions.

Finding the Right Provider is Easy

Provider Finder®

With Provider Finder you can easily and quickly search BDTC providers in your area and see patient reviews, awards, recognitions and certifications. Filter search results by type, specialty, ZIP code, language and gender. You can also get directions from Google Maps™.

Online and Mobile

Easily access Provider Finder online or by downloading the BCBSIL app on your mobile device. On your computer, go to bcbsil.com and log in to Blue Access for MembersSM. Then, click *Find a Doctor* to begin your search. If you are not logged in to your account, you will need to choose your correct network for the most accurate information. You can also limit your search results to only show you the BDTC providers.

On the Phone

You can also call a BCBSIL Customer Service Advocate at the toll-free telephone number on the back of your BCBSIL member ID card for help locating a provider in your network.
