Enclosed is the Fox Valley Laborers Health and Welfare Fund Summary of Benefits and Coverage (SBC). This document is being provided to you as part of the Affordable Care Act to help participants and their families understand your health coverage, as well as to understand common terms used by the health plan. Receipt of this document does not guarantee eligibility for benefits.

The SBC is provided in a standard format and can only differ regarding specific plan benefits. We hope the document will be a helpful resource by identifying the key provisions of the Fund's health and welfare plan. Due to space considerations, the document does not identify all of the rules governing benefits and coverage. Please continue to refer to the Summary Plan Description for a complete statement of the Fund's rules governing the benefits and coverage.

The SBC provides three examples of services covered under the plan. These examples help illustrate how deductibles, copays and coinsurance work under the plan. There are three examples provided: having a baby, managing Type 2 diabetes, and treatment of a simple fracture. Because each person's care will be different, these examples are not intended to show exact costs. Instead, the sample costs are based on national averages supplied by the U.S. Department of Health and Human Services and they are not specific to a certain geographic area or health plan.

If you are not clear about any of the underlined terms used in the SBC, you can view the Uniform Glossary. The Uniform Glossary is a separate document from the SBC and is available at <https://www.healthcare.gov/sbc-glossary/> or you can call the Fund Office toll free at (866) 828-0900 to request a copy.

If you have any questions, please do not hesitate to contact the Fund Office.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-828-0900 or visit us at www.fvlab.com. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-866-828-0900 to request a copy.

Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>\$150 person / \$400 family Carry forward of October, November and/or December expenses satisfying the deductible to the next calendar year</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Certain preventive care, accidental injury and prescription drugs are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. Dental: \$50 person. Doesn't apply to preventive dental care. There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Medical: \$1,500 person, plus \$150 deductible</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. Under the No Surprises Act cost-sharing at certain out-of-network providers applies to the out-of-pocket limit.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Balance billing charges, health care this plan doesn't cover and prescription drug copayments</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.bcbstl.com or call 1-800-810-2583 for a list of network providers.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
